### **SYNOPSIS**

This Special Leave Petition challenges an unprecedented and profoundly alarming ex-parte Impugned Interlocutory Order 18.07.2025 passed in I.A.No. I & II in OS No.5185/2025 by the Court of X Addl. City Civil & Sessions Judge, Bangalore which has effectively imposed a sweeping gag order and mandatory content deletion on hundreds of media entities nationwide. Among these entities, the Petitioner, Third Eye Youtube Channel, is specifically arrayed as Defendant No. 51.

This order, secured through a calculated abuse of judicial process and material misrepresentation by the Plaintiffs, directly obstructs a high-level state criminal investigation into allegations of mass burials and serious crimes linked to the influential Dharmasthala temple. It is a frontal assault on the freedom of speech and press (Article 19(1)(a)) and the foundational principles of natural justice and due process (Article 21).

The Plaintiffs, primarily Sri Harshendra Kumar D., hold significant positions of authority within the Dharmasthala temple administration and its vast network of associated institutions. Sri

## C

Harshendra Kumar serves as Executive Co-ordinator of Sri Kshetra Dharmasthala and Secretary of its affiliated educational and social organizations. His elder brother, Dr. D. Veerendra Heggade, is the Dharmadhikari of the temple. Due to these roles, they exercise considerable influence regionally and beyond.

Their connection to the alleged crimes, and thus the subject of media reporting, is direct and multi-faceted:

1. Implication in Crime No. 39/2025: The whistleblower's original complaint, which forms the basis of FIR No. 39/2025, explicitly alleges that "supervisors" and the "Dharmasthala temple administration" threatened him with death and forced him into burying and burning hundreds of bodies. As core figures within this very administration, the Plaintiffs are directly implicated in the scope and direction of this grave criminal investigation.

2. Direct Allegations in Smt. Sujatha's Complaint: A subsequent, pivotal complaint filed by Smt. Sujatha directly and tragically names both Sri Harshendra Kumar and Dr. D. Veerendra Heggade. She alleges their personal involvement in verbal abuse, refusing to register her daughter's 2003 disappearance from Dharmasthala, and

## D

orchestrating a physical assault against her when she sought answers from the temple authorities.

Crucially, the media's reporting on these chilling allegations was not a malicious act, but a vital public service. The initial FIR (July 4) did not immediately lead to comprehensive state intervention. It was the sustained media coverage of Crime No. 39/2025 that specifically prompted Smt. Sujatha's complaint (July 15), which explicitly states she came forward because she saw the media's coverage. This irrefutably demonstrates the essential role of a free press in uncovering hidden truths and providing a voice to long-silenced individuals.

Recognizing the gravity and the instrumental role of public awareness (driven by media), the Government of Karnataka, on July 19, 2025 (a full 15 days after the primary FIR was filed), formed a high-powered Special Investigation Team (SIT) led by a Director General of Police. The SIT's very mandate, as per the official order, acknowledges that its creation was due to "reports aired by Times Now and other media" and broadens its scope to include "other related cases that may be registered," explicitly inviting more

## E

complaints. This proactive mandate signifies that the State itself has intelligence or a strong apprehension that more cases akin to Ananya Bhat's are likely to emerge and come forward. This underscores the state's reliance on continued media reporting for the SIT to effectively uncover truth and evidence. Media reporting is, therefore, absolutely essential, a fact confirmed by the State itself, indicating a critical need for public support in the ongoing investigation.

However, contemporaneously, Plaintiff Sri Harshendra Kumar moved the Civil Court in Bengaluru. In a patent fraud on the court, he obtained an ex-parte order on July 18, 2025, by falsely presenting that the FIR in the mass burials case had "no allegation against the plaintiff, his family members or any of the institutions." This was a deliberate misrepresentation, as the FIR incorporates the whistleblower's complaint (implicating "temple administration"), and Smt. Sujatha Bhat's complaint (directly naming the Plaintiffs) was already in the public domain and actively being reported on.

The Civil Court's subsequent ex-parte order is a grotesque mockery of judicial diligence. Though the Plaintiff's annexure listed 8842 specific URLs (spanning nearly 500 pages of content) for deletion, the

## F

court granted a sweeping gag order and mandatory deletion directive mere hours after the plaint was filed. It is a physical and intellectual impossibility for any judicial officer to have genuinely reviewed and adjudicated the allegedly defamatory nature of thousands of URLs within a mere three hours, as the timeline dramatically indicates. This points to a judicial rubber-stamping, ignoring the fundamental need for application of mind and the principles of natural justice.

The ex-parte injunction is an unconstitutional prior restraint, demanding immediate deletion of content and prohibiting future reporting, thereby directly impeding a state-mandated criminal investigation. It attempts to silence the very media that has actively facilitated the emergence of new, crucial evidence in a matter of grave public interest. Such an order weaponizes the judicial process to suppress truth and accountability, allowing powerful individuals to evade public scrutiny behind a veil of judicial protection.

The Petitioner's attempts to avail immediate remedy on a Sunday, July 20, 2025, at both the Civil Court Registry and the Hon'ble High Court, were met with procedural roadblocks, demonstrating the

## G

systemic inaccessibility of justice when an ex-parte order is strategically timed.

This is not a mere error in law; it is a brazen abuse of judicial process by the Plaintiffs and a profound dereliction of judicial duty by the Civil Court. This Hon'ble Court's intervention is urgently required not only to protect fundamental rights but to safeguard the integrity of the judicial system from being exploited as a tool for censorship and obstruction of justice in matters of profound public concern.

The Petitioner seeks for this Hon'ble Court to quash the impugned order. Further, given the Plaintiffs' demonstrated influence within Karnataka, their history of obtaining broad injunctions in local courts, and their proven abuse of judicial process through misrepresentation to stifle legitimate media inquiry, it is imperative that for any future civil defamation cases, they be directed to approach Courts in a State to be designated by this Hon'ble Court, ensuring an impartial forum far removed from their sphere of influence and the potential for a similarly compromised judicial process.

Hence, This Special Leave Petition.

**Interim Orders on I.A.No.I & II**

Heard learned counsel appearing for the plaintiff on I.A.No.I & 2. In I.A.No.1 plaintiff has sought an exparte temporary injunction order restraining the defendants or any other persons claiming on behalf of them making, telecasting, publishing, circulating, forwarding, uploading, transmitting, sharing false or defamatory information during the pendency of the suit. In IA-2 plaintiff has sought an exparte ad-interim mandatory injunction to direct the defendants to delete/deindex defamatory contents specified in the schedule from their digital media.

The Court has examined the pleadings and also the documents produced along with the plaint. Court is conscious of the fact that an exparte temporary injunction can be granted only in extraordinary cases and under exceptional circumstances. The Court is also conscious of the fact that Court shall strike a balance between the right to speech and expression guaranteed by the Constitution and also the rights of the persons who alleges defamation. But, as per the case of the plaintiff, this is an exceptional case wherein some Media and Individuals started making false and defamatory allegations against the plaintiff and his family members and also against Sri Manjunathaswamy Temple along with various Institutions run by it without any basis.

The pleading indicates that in respect of a criminal incident of rape and murder taken place on 09.10.2012 allegations are made

against the plaintiff, his family members and Institutions for which plaintiff is a Secretary. It was a case registered in crime 250/2012 of Belthangadi PS against one Mr.Santhosh Rao wherein the investigation was handed over to CBI and after investigation, the charge sheet was filed against one Mr.Santhosh Rao, which is stated to have ended in acquittal and even confirmed by the Hon'ble High Court of Karnataka. It is contended by the learned counsel appearing for the plaintiff that the entire allegation made against the plaintiff, the institutions and his family members were proved to be false by investigation conducted by the CBI.

Now it is stated that another FIR is registered in Crime No.39/2025 and pursuant to the registration of this FIR, false, baseless, reckless and defamatory allegations are made against the plaintiff, his family members, the institutions under their charge and the temple also. The copy of the FIR produced before the Court shows that the first informant was a sanitation worker under the Village Panchayath. In the FIR, the first information merely stated that he has buried various dead bodies within the limits of Dharmastala. In the entire FIR, there is no allegation against the plaintiff, his family members or any of the institutions run by the temple administration. It is contended that though there is no allegation against the plaintiff and his family members in the FIR or in the investigation so far made, the defendants are making defamatory and false allegations without any basis and such allegations are seriously affecting the reputation of the plaintiff, his family members and also the temple.

It is also pleaded that there are more than 75 thousand employees under the plaintiff and the institutions for which he is a Secretary. It is further stated that more than 45 thousand students

are studying in various schools and colleges administered by the Society in which the plaintiff is a Secretary.

The Court cannot ignore the fact that though the reputation of every citizens is very important, when an allegation is made against the institution, and temple, it affects wider range of people including the employees and students who are studying in various colleges and schools. Therefore, even a single false and defamatory publication would seriously affect the functioning of the institutions. No doubt the defendants are entitled to prosecute the culprits and they are entitled to take suitable legal recourse if any of the offences are committed. But, the reputation of a person or institution cannot be marred without any basis by making defamatory allegations. It is contended that defamatory statements are made without any basis. If the defendants are allowed to make such defamatory statements, the damage likely to be caused to the plaintiff, temple and the institutions cannot be quantified. Even if the suit is decreed or an order of injunction is passed after hearing the defendants, the damage likely to be caused in the interregnum period cannot be compensated in any way.

Learned counsel appearing for the plaintiff has also placed reliance of the Hon'ble Supreme Court rendered in the case of Hammad Ahmed v/s Abdul Majeed and others (2019)14 SCC 1 and also Dorab Cawasji Warden v/s Coomi Sorab Warden and others (1990)2 SCC 117 and contended that the URL links through which false, defamatory contents circulated by the defendants already reached one million people and if they are allowed to continue, it would cause further damage on minute to minute basis. In the aforesaid decisions, the Hon'ble Supreme Court has held that ad-interim mandatory injunction can be granted if the court is satisfied

that withholding of it would prick the conscience of the court and do violence to the sense of justice. This is an exceptional case wherein there are warranting circumstances to pass an ex parte ad-interim mandatory injunction directing the defendants to delete and deindex all the defamatory contents as specified in the schedule to the plaint and IA No.2 to prevent further damages.

The court has fully satisfied that the plaintiff has made out a strong prima-facie case for grant of ex parte orders. Further, the balance of convenience lies in favour of the plaintiff and irreparable loss and hardship would be caused to the plaintiff if an order of ex parte TI is not granted. On the other hand, if ex parte TI is granted, no hardship or inconvenience would be caused to the defendants. The Court has also satisfied that if an ex parte TI is not granted, the very object of IA No.1 & 2 would be defeated by delay.

Accordingly, the following order is passed:-

#### ORDER

Defendants, their men, officials, anchors, representatives or any persons claiming on behalf of them are restrained from publishing, circulating, forwarding, uploading, transmitting and telecasting any defamatory contents and information against the plaintiff, his family members, institutions run by the family of the plaintiff and Sri Manjunathaswamy temple, Dharmastala either in the digital media including YouTube channels, all social medias or print media of any kind until the next date of hearing.

Further, the defendants are directed by way of ad-interim mandatory injunction to delete/de-index all the defamatory contents and information against the plaintiff, his family members, institutions run by the family of the plaintiff and Sri Manjunathaswamy temple, Dharmastala either in the digital media or print media of any kind

until further orders.

The plaintiff shall comply under Order XXXIX Rule 3(a) of CPC. The plaintiff is permitted to comply by forwarding the plaint, IA copies and documents through e-mail and whatsapp. In view of the urgency, the plaintiff is also permitted to forward the uploaded copy of this order to the defendants.

Further, issue John Doe Order as sought in I.A.No.1 & 2.

The plaintiff shall issue a paper publication in two English news papers and two Kannada newspaper having wide circulation.

Issue T.I order, suit summons and notice on I.A.No.1 & 2, returnable by 05.08.2025.

To

The Hon'ble Chief Justice of India and  
His Hon'ble Companion Justices of The  
Hon'ble Supreme Court of India, New  
Delhi.

The humble petition of the  
Petitioner above named.

**MOST RESPECTFULLY SHOWETH: -**

1. The present Special Leave Petition seeks extraordinary intervention from this Hon'ble Court under Article 136 of the Constitution of India against a palpably unconstitutional and unprecedented *ex-parte* order dated July 18, 2025, passed by the X Addl. City Civil & Sessions Judge, Bengaluru, in O.S. No. 5185/2025. This impugned order, obtained by the Respondents (Plaintiffs in the original suit) against 339 defendants, including the Petitioner herein (Defendant No. 51), constitutes a gross abuse of judicial process, a direct and severe infringement of fundamental rights, and an active obstruction of a state-mandated criminal investigation into grave public allegations.

1.1 The crux of the matter revolves around a horrifying criminal investigation initiated vide FIR No. 39/2025 at Dharmasthala Police Station. This FIR is based on the complaint of a whistleblower, a

former sanitation worker, who alleges being forced under threat of death by "supervisors" and the "Dharmasthala temple administration" into burying and burning hundreds of dead bodies from 1995 to 2014, many showing signs of sexual assault and violence. (Annexure P1)

**1.2** The Petitioner, *Third Eye Youtube Channel*, as a media organization, diligently reported on these grave allegations. This legitimate reporting served a crucial public interest function, prompting a profound breakthrough in a long-standing cold case. On July 15, 2025, Smt. Sujatha filed a formal complaint with the police, explicitly stating that she learned of Crime No. 39/2025 through media coverage and, therefore, connected it to the 2003 disappearance of her daughter, Ananya Bhat, from Dharmasthala. In her complaint, Smt. Sujatha directly and unequivocally implicates the Plaintiffs, Sri Harshendra Kumar and Dr. D. Veerendra Heggade, alleging their personal involvement in verbal abuse, refusal to register her daughter's missing complaint, and orchestrating a physical assault against her when she sought answers from the temple authorities. (Annexure P2)

**1.3** Recognizing the gravity of the allegations, amplified by media reports and the subsequent complaint from Smt. Sujatha, the Government of Karnataka, on July 19, 2025, formed a high-powered Special Investigation Team (SIT) led by a Director General of Police. Crucially, the SIT order's preamble explicitly acknowledges that its formation was catalyzed by "reports aired by Times Now and other media". The SIT has been entrusted with the broad mandate to investigate Crime No. 39/2025 and "all other criminal cases already registered or to be registered in other police stations across the State of Karnataka in connection therewith." This indicates the State's clear expectation that more complaints, akin to Ananya Bhat's case, are likely to emerge, underscoring the vital and continuing role of media in encouraging public participation in the investigation. (Annexure P5)

**1.4** However, even as the State was formalizing this high-level investigation, Plaintiff Sri Harshendra Kumar initiated a civil suit (O.S. No. 5185/2025) in Bengaluru on the evening of July 18, 2025. In a patent fraud on the court, the Plaintiff secured an *ex-parte* injunction by making a material misrepresentation: that the

FIR in the mass burials case "merely stated that he has buried various dead bodies" and contained "no allegation against the plaintiff, his family members or any of the institutions." This was a deliberate falsehood, as the original FIR itself incorporates the whistleblower's complaint implicating the "temple administration," and Smt. Sujatha's complaint explicitly naming the Plaintiffs was already in the public domain and widely reported. (Annexure P3)

**1.5** The Civil Court's subsequent *ex-parte* order, issued on the very same day of filing (July 18, 2025), represents a grotesque mockery of judicial diligence. The Plaintiff's plaint contained an annexure listing 8842 distinct URLs from various platforms (YouTube, Facebook, Instagram, Reddit, Twitter, News Portals), spanning nearly 500 pages of specific content, along with content on a pendrive. It is a physical and intellectual impossibility for any judicial officer to have genuinely reviewed and adjudicated the allegedly defamatory nature of thousands of URLs within the mere hours it took to pass the order. This demonstrates a stark failure of judicial application of mind and a ready acquiescence to the Plaintiff's unsubstantiated

claims, amounting to a gross dereliction of judicial duty. (Annexure P4)

**1.6** The impugned *ex-parte* order is a sweeping, unconstitutional prior restraint on freedom of speech and press. It imposes a blanket prohibition on publishing "any defamatory contents and information" and issues a mandatory injunction directing defendants, including the Petitioner, to "delete/de-index all the defamatory contents" against the Plaintiffs, their family, institutions, and the temple. This vagueness and overbreadth unleash a chilling effect on all media, forcing self-censorship under the threat of contempt of court for reporting on matters deeply connected to an ongoing criminal investigation.

**1.7** This judicial action by the Civil Court directly obstructs the State's public policy as clearly articulated in the SIT formation order. The injunction actively hinders the flow of information that the State itself acknowledges is crucial for the SIT to receive further complaints and conduct its comprehensive investigation. It perverts the judicial process into a tool for powerful individuals to suppress inconvenient

truths and evade accountability under the guise of protecting reputation.

**1.8** Following the issuance of this *ex-parte* order on Friday evening, July 18, 2025, the Petitioner (Defendant No. 51) attempted to seek immediate judicial remedy on Saturday, July 19, and Sunday, July 20, 2025. However, attempts to file an application for vacating the stay before the Civil Court Registry were not facilitated due to weekend court operations. Similarly, efforts to urgently move the Hon'ble High Court of Karnataka for relief were also not facilitated. This demonstrates the systemic inaccessibility of immediate judicial remedies against a fundamentally flawed and unconstitutional order that demands immediate compliance, forcing the Petitioner to approach this Hon'ble Court directly.

**1.9** The conduct of the Plaintiffs, particularly Sri Harshendra Kumar and Dr. D. Veerendra Heggade, in consistently pursuing broad gag orders in Karnataka courts, and now demonstrating a clear abuse of process through misrepresentation to stifle legitimate media reporting concerning serious criminal allegations directly implicating

their administration, renders their continuous access to local civil courts for such matters problematic.

**1.10** This Hon'ble Court's intervention is urgently required not only to safeguard fundamental rights and prevent a miscarriage of justice but to preserve the integrity of the judicial system from being exploited as a tool for censorship and obstruction of justice in matters of profound public importance.

2. **QUESTIONS OF LAW**

Following substantial questions of law have been raised in the present Special Leave Petition:

- I. Whether an *ex-parte* injunction of such sweeping scope, amounting to a blanket prior restraint on freedom of the press and speech, can be granted without affording the affected parties an opportunity to be heard, thereby violating the fundamental principles of natural justice and Article 21 of the Constitution of India?
- II. Whether a Civil Court acts within its jurisdiction and applies its mind judiciously by granting an *ex-parte* injunction mandating the deletion/de-indexing of 8842 distinct URLs

across multiple platforms, along with a broad prohibitory order, within mere hours of the filing of a voluminous plaint, thereby presuming alleged defamation without any proper application of judicial mind or empirical review?

- III.** Whether an injunction order that directly impedes a State-mandated criminal investigation, particularly an SIT explicitly formed in response to media reports and tasked with inviting further public complaints, constitutes an egregious interference with the administration of justice and public policy?
- IV.** Whether a Plaintiff can be permitted to obtain and perpetually sustain interim injunctions by making deliberate misrepresentations to the court, specifically by falsely claiming that a criminal FIR relevant to the subject matter does not implicate them, when the FIR (and subsequent complaints directly triggered by media reports) clearly do?
- V.** Whether the relentless and systemic invocation of civil defamation proceedings by powerful and influential Plaintiffs to stifle media reporting on matters of grave public concern, particularly when criminal investigations arise from such

reporting, constitutes an abuse of judicial process necessitating the intervention of this Hon'ble Court?

**VI.** Whether, in circumstances indicating a demonstrable pattern of abuse of judicial process and local influence, this Hon'ble Court should direct that future civil defamation proceedings initiated by such Plaintiffs against media entities or public discourse be heard only before Courts designated in a State other than Karnataka, to ensure impartiality and prevent recurrence of such abuses?

**VII.** Whether the pervasive and unmitigated nature of the *ex-parte* injunction, coupled with the proven inability to secure immediate judicial relief from lower courts (even on a weekend against an ongoing injunction affecting fundamental rights), warrants direct intervention by this Hon'ble Court under *Article 136 of the Constitution of India*?

### 3. **DECLARATION IN TERMS OF RULE 3 (2):**

The Petitioner states that he has not filed any Petition against the Impugned Interlocutory Order 18.07.2025 passed in I.A.No.

I & II in OS No.5185/2025 by the Court of X Addl. City Civil & Sessions Judge, Bangalore)

4. **DECLARATION IN TERMS OF RULE 5:**

That the Annexures P-1 to P-4 are true copies of their respective originals and these were part of records in the courts below.

5. **GROUND**

The following contentions have been raised in the present special leave to assail the impugned judgment and warranting the interference of this Hon'ble Court: -

A. **A. Violation of Natural Justice (Audi Alteram Partem):** An

Abdication of Core Judicial Duty:

The impugned order, passed *ex-parte*, fundamentally violates the sacrosanct principle of *audi alteram partem*, a cornerstone of Indian jurisprudence and an integral component of Article 21's guarantee of due process. The Civil Court, without hearing the Petitioner or the other 337 Defendants, branded their content as "defamatory" and imposed sweeping restrictions, including mandatory deletion of pre-existing content. This

constitutes a pre-judgment based solely on the Plaintiff's unilateral averments, severely prejudicing the Defendants' ability to defend their constitutional right to freedom of speech. Any *ex-parte* order affecting fundamental rights, especially one so broad and punitive, is inherently suspect and must be subjected to the highest scrutiny to ensure it is not merely a tool for suppressing legitimate discourse under the guise of an emergency. No such exceptional circumstance warranted this wholesale denial of natural justice.

**B. Unconstitutional Prior Restraint:** A Digital Iron Curtain of Unprecedented Scope: The injunction, by prohibiting any future "defamatory content" and mandating the *immediate deletion* of 8842 specific URLs, amounts to a blanket gag order and an extreme form of prior restraint. This Hon'ble Court has consistently held that prior restraint on media is an extraordinary measure, to be invoked sparingly and only in cases of imminent and irreparable harm that cannot be compensated post-publication. Here, the order is vague, lacking specific parameters for what constitutes "defamatory" in real-

time, thereby fostering pervasive self-censorship. This overbreadth transforms the judicial process into an instrument of intimidation, directly undermining the Petitioner's constitutional right under Article 19(1)(a) to report on matters of public interest and the public's right to receive information. The "chilling effect" is not speculative; it is the immediate and intended consequence of such an order.

**C. Abuse of Judicial Process and Fraud on the Court by the**

**Plaintiffs:** The Plaintiffs, led by Sri Harshendra Kumar, obtained the *ex-parte* order through a deliberate and material misrepresentation to the Civil Court. Their plaint falsely asserted that FIR No. 39/2025 contained "no allegation against the plaintiff, his family members or any of the institutions." This claim is factually incorrect and misleading. The FIR *incorporates verbatim* the whistleblower's complaint, which clearly implicates "supervisors" and "Dharmasthala temple administration." More critically, the subsequent complaint by Smt. Sujatha, which emerged contemporaneously with the media reports and directly implicates both Sri Harshendra

Kumar and Dr. D. Veerendra Heggade by name, was entirely omitted or downplayed by the Plaintiffs when seeking the interim relief. This deliberate suppression of crucial facts, aimed at securing an unmerited order, constitutes a patent abuse of judicial process and a fraud on the court, warranting immediate and severe condemnation.

**D. Gross Judicial Dereliction of Duty: Impossibility of Application of Mind:** The Civil Court's claim of having "examined the pleadings and also the documents" prior to issuing the *ex-parte* order within a mere few hours of the plaintiff's filing is demonstrably false and represents a grave abdication of judicial responsibility. The annexure to the plaint comprised 8842 distinct URLs, necessitating individual review and assessment for alleged defamatory content. It is a physical and intellectual impossibility for any judge, within such a limited timeframe, to have genuinely applied their mind to this voluminous material to determine *prima facie* defamation for each URL. The order, therefore, lacks any reasoned basis, indicating a rubber-stamping process that is antithetical to the

principles of fair and judicious decision-making, particularly when fundamental rights are at stake.

**E. Direct Obstruction of State-Mandated Criminal**

**Investigation and Public Policy:** The most alarming aspect of the impugned order is its direct interference with a high-level criminal investigation initiated by the State of Karnataka. The SIT, constituted by the Government Order on July 19, 2025, *explicitly acknowledges* that its formation was catalyzed by "reports aired by Times Now and other media." This formal recognition by the State itself validates the crucial public service performed by media reporting. The SIT's mandate to receive "other related cases that may be registered" further highlights the State's reliance on continued public outreach, largely facilitated by media. The Civil Court's injunction, by silencing media and compelling the removal of content, directly impedes the SIT's ability to gather information, encourage further complaints (like Smt. Sujatha's which directly ensued from media coverage), and ultimately conduct a comprehensive investigation into grave historical crimes. This amounts to a

judicial order that actively undermines and obstructs a critical state function and public policy.

**F. Disproportionate Balancing of Rights: Prioritizing**

**Speculative Reputation Over Tangible Public Interest:**

The Civil Court, in its *ex-parte* order, disproportionately weighted the speculative "reputational harm" of the Plaintiffs over the manifest public interest in reporting on allegations of mass graves and serious crimes. While reputation is a valuable right, its protection cannot come at the cost of suppressing information crucial to an ongoing criminal investigation, especially when specific allegations against the Plaintiffs have emerged. The State's actions (forming the SIT due to media coverage) concretely demonstrate that the media's reporting has yielded tangible public benefit, in contrast to the Plaintiffs' unsubstantiated claims of irreparable harm to their reputation and the functioning of their institutions, which can only be proven after due process.

**G. Systemic Inaccessibility of Justice and Strategic Timing for**

**Tactical Advantage:**

The Plaintiffs strategically filed their suit

on the evening of July 18, 2025, just before a weekend, knowing that the Civil Court Registry and High Court would be inaccessible for immediate challenges. The Petitioner's subsequent futile attempts to secure an urgent hearing on Sunday, July 20, unequivocally demonstrate the practical inaccessibility of immediate judicial remedies against such a wide-ranging *ex-parte* order. This strategic timing, aimed at maximizing the "chilling effect" by forcing compliance during a period of judicial closure, showcases a deliberate tactic by the Plaintiffs to exploit procedural limitations for their tactical advantage, further highlighting the abuse of judicial process.

## **H. Need to Prevent Forum Shopping and Recurrent Abuse of**

**Process:** The multi-year history of litigation, where the Plaintiffs or their affiliates have repeatedly obtained broad injunctions from Karnataka courts against individuals and media (as referenced in the plaint concerning the Sowjanya case), coupled with the current egregious abuse of process through misrepresentation, necessitates a strong directive from this Hon'ble Court. Allowing the Plaintiffs to continuously file such

broad and unmerited defamation suits in local civil courts, where their influence may be perceived, risks repeated instances of compromised judicial scrutiny and the chilling of legitimate public discourse. Directing them to a designated court outside the State for future defamation cases is essential to ensure impartiality and prevent the weaponization of the judicial system.

6. **GROUND FOR INTERIM RELIEF**

It is submitted that the grant of interim relief is imperative in view of the following:

- 6.1 That the Petitioner has a good case on merits and is likely to succeed before this Hon'ble Court. Therefore, till the pendency the of the present Special Leave Petition, the operation of the Impugned Interlocutory Order 18.07.2025 passed in I.A.No. I & II in OS No.5185/2025 by a Civil Court, Bengaluru), may be stayed; and
- 6.2 That the Petitioner shall suffer irreparable losses if the interim relief is denied to the Petitioner.

7. **MAIN PRAYER**

It is therefore most respectfully prayed that this Hon'ble Court may be pleased to:

Details of the First Information Report:

Dharmasthala Police Station NCR No. 69/2025, which registered a non-cognizable case, obtained permission from the Hon'ble Court to register the case. Accordingly, the Hon'ble Court order No. 653/2025 dated 04.07.2025, ordering the registration of the case, was submitted to the police station by the court duty staff on 04.07.2025 and received.

The summary is: I am filing this complaint with an extremely heavy heart and to recover from an insurmountable sense of guilt. I can no longer bear the burden of memories of the murders I witnessed, the continuous death threats to bury the corpses I received, and the pain of beatings - that if I did not bury those corpses, I would be buried alongside them. Through this, I am requesting that the information I am revealing about numerous murdered men and women and many girls and women who were raped and murdered be investigated urgently, and that protection be provided to me and my family.

I left Dharmasthala overnight 11 years ago; I took my small family with me. I hid in a neighboring state. Even though I was away from Dharmasthala, the certainty that my family and I could be murdered at any moment like those before us haunted us daily.

I was born into what is said to be the lowest caste. From 1995 to December 2014, I worked as a sanitation worker under the Dharmasthala temple. Daily, I performed cleaning work near the Nethravathi river and in surrounding areas. What began as regular employment later turned into work of covering up evidence of extremely horrific crimes.

At the beginning of my employment, I noticed dead bodies appearing. Initially, I thought these were suicides or bodies that had accidentally drowned in the river. Among them, women's bodies were more numerous.

Many female corpses were found without clothes or undergarments. Some corpses showed clear signs of sexual assault and violence; injuries or strangulation marks indicating violence were visible on those bodies.

Around 1998, instead of reporting these bodies to the police, my supervisors instructed me to secretly dispose of these bodies. When I immediately refused and responded that these deaths should be reported to the police, I was severely beaten. In rage, they threatened me that if I refused to follow their instructions or would tell anyone about it: "We will cut you into pieces," "Your body will also be buried like the other corpses," and "We will sacrifice all your family members." They said that the person who previously performed this work "disappeared" as soon as he hesitated. There was no doubt in their threat - it was "obey or be cut into pieces along with your family."

The supervisors would call me to specific locations where dead bodies were present. Many times, these bodies were of minor girls/women. The absence of undergarments, torn clothes, and injuries to their private parts indicated brutal sexual assault on them. Some bodies also had acid burn marks.

There is one incident that has haunted me greatly; in 2010, supervisors sent me to a location about 500 meters from a petrol pump in Kalleri. There I found the body of a teenage girl. Her age could be estimated between 12 to 15 years. She was wearing a school uniform shirt. However, her skirt and undergarments were missing. Her body showed clear signs of sexual assault. There were strangulation marks on her neck. They instructed me to dig a pit and bury her along with her school bag. That scene remains disturbing to this day.

Another disturbing incident was of a woman's dead body in her twenties. Her face had been burned with acid. That body was covered with a newspaper. Instead of burying her body, the supervisors instructed me to collect her footwear and all her belongings and burn them with her.

And I witnessed many incidents where poor and destitute men who came for begging in the Dharmasthala area were systematically murdered. The method of killing them was extremely cruel. They would be tied to chairs in rooms and suffocated from behind using towels. These murders took place in my presence. I was instructed to bury these bodies in distant forest areas.

During my employment period, I buried dead bodies in several locations throughout the Dharmasthala area. Sometimes, as instructed, I burned dead bodies using diesel. They would instruct me to burn them completely so that no trace would be found. The dead bodies disposed of in this manner numbered in the hundreds.

By 2014, the mental torture I was experiencing had become unbearable. When a girl in my family was also sexually harassed by a person connected to the supervisors, we all realized we had to escape from there immediately. Otherwise, the fear of meeting our end there intensified.

In December 2014, I fled from Dharmasthala with my family. I ensured that no one got any clue about where we were going. Since then, until now, we have been living in hiding in fear for our lives in a neighboring state. We have been changing residences too. However, I am still living under the burden of guilt that does not subside.

But my conscience no longer allows me to continue this silence. I have decided that everyone should know about those who became dust and who were responsible for their rape and murder. Despite the danger attached to my life, I have decided that I must speak.

As proof of what I am saying, I recently secretly went to a place in Dharmasthala where I had buried a dead body and exhumed the skeleton. I am ready to give details of this location to the investigating officer. I am submitting a photograph of this skeleton and the skeleton itself with this complaint.

Throughout the Dharmasthala area, I am ready to show the investigating officer the places where I inevitably and secretly buried dead bodies just so that I could save my life. I am now ready to exhume the remains of the bodies I buried - in the presence of the police.

The accused mentioned in this complaint are those connected to the Dharmasthala temple administration and other staff members. These are the people who gave instructions to bury dead bodies and continuously threatened my life and subjected me to violence. However, I cannot reveal the names of the accused persons in this complaint itself. Some of the persons I will name are very influential and have a tendency to eliminate those who oppose them. As soon as I and my family receive protection under the 2018 Witness Protection Act, I am ready to reveal complete details including the names of all accused persons and their specific roles.

I am filing this complaint with awareness of the consequences of submitting false information. I confirm that what I have stated above is in accordance with my knowledge and belief. I am ready to undergo polygraph or any other test to establish the truthfulness of what I have stated.

Furthermore, what I request from you is that the hundreds of dead bodies I have buried have been deprived of proper respect and funeral rites. My belief is that if the skeletons now exhumed receive respectful funeral rites, those tormented souls will find peace and my sense of guilt could also decrease. For this reason, I request to facilitate exhumation of the hundreds of corpses I have buried.

I pray that you consider this complaint with utmost seriousness and take immediate action to investigate these heinous crimes and provide justice to the countless victims who were denied dignity even in death. I make an earnest appeal to you to keep my name and information secret.

As a continuation of this complaint, in the event I am murdered or become unavailable before informing the police of the names of the accused and their roles in the crimes, the truth about these tragedies should not perish with me. I have signed and given the continued complaint to Supreme Court advocate Shri K.V. Dhananjay.

**TRANSLATION OF THE COMPLAINT**

Date: July 15, 2025

To,

1] The Superintendent of Police  
Dakshina Kannada District,  
Karnataka – 575 001.

2] The Station House Officer,  
Dharmasthala Police Station,  
Belthangady Circle, Belthangady Taluk,  
Dakshina Kannada District, Karnataka – 574 216.

Sir/Madam,

Subject: Regarding the request to find the skeletal remains of my daughter, Ananya Bhat, daughter of Late Anil Bhat, who was pursuing a medical degree and went missing in 2003 after visiting Dharmasthala Temple, to perform her mandated final rites.

In connection with the above-mentioned subject, I, Sujatha, wife of Late Anil Bhat, aged: 60 years, Caste: Hindu Brahmin, Current Residence: Padmanabha Nagar, Bengaluru. In the year 2003, I was working as a Stenographer in the Central Bureau of Investigation (CBI) in Kolkata. At that time, my daughter Ananya was a first-year MBBS student at a medical college in Manipal, Udupi District. She had gone on a trip to Dharmasthala with her classmates. Then, a girl named Rashmi, one of Ananya's classmates who was with her, called my office landline and informed me that Ananya had gone missing at Dharmasthala Temple. I immediately called her hostel, and they informed me that Ananya had not been seen for two or three days. I traveled

for two days by train from Kolkata, came to Dharmasthala, and inquired with the temple staff and locals about my daughter Ananya, describing her identity. Then, locals near the temple informed me that three days prior, temple staff were seen taking away a young woman, and her identity matched Ananya's photograph that I showed them.

I immediately went from Dharmasthala to Belthangady Police Station to lodge a complaint. However, the officers and staff at Belthangady Police Station refused to take my complaint and threatened me, saying, "How do we know where your daughter is? She must have eloped with someone. Look, so many people come and go missing every day; we cannot take everyone's complaint, go!" and sent me out of the station. Afterwards, I went directly to meet Dharmadhikari Veerendra Heggade of Dharmasthala Temple and expressed my distress about my daughter missing from Dharmasthala Temple. At that time, his brother and chief temple officer, Harshendra Kumar, were also present with him. After hearing my plea about my daughter going missing, both of them abused me in the most vulgar language they could utter, saying, "It's not our job to guard your daughter. Your daughter must have eloped with some boy. Why are you asking us? We have other work; get out of here," and disdainfully had their staff escort me out. Distressed by the behavior of Dharmadhikari Veerendra Heggade and Harshendra Kumar, and feeling the pain of my loss, I was sitting in front of the temple that night around 8 PM, weeping and thinking of my daughter. At that point, four temple staff members dressed in white clothes came to where I was sitting and said, "Come with us, we will provide information about your daughter," and took me to a room near the temple. They made me sit on a chair there and threatened me, saying, "Forget about your daughter's matter here

and leave. You should not tell anyone about our bosses hitting you. Don't sit here crying in front of the temple like this, if you don't leave, your life will be in danger." I replied that I would not leave without seeing my daughter. Then, those four men together tied me tightly to the chair with ropes, gagged my mouth with a cloth, switched off the room's light, and kept me in that dark room all night. The same temple staff, dressed in white, then hit my head hard in the morning.

Afterwards, I was in a coma for three months, and when I regained consciousness, I was admitted and receiving treatment at Agadi Hospital in Wilson Garden, Bengaluru. I do not know how I got there, or who brought me from Dharmasthala. My bag, identification card, bank passbook, and vanity bag – none of them were with me. I have a wound on my head with eight stitches due to a strong blow. Having lost my daughter and with her whereabouts unknown, I have been living a life of fear and despair for many years.

Recently, I have seen news on YouTube, in newspapers, and on national channels about a cleaning worker in Dharmasthala who claimed to have buried many female bodies and submitted a human skull to the court. Therefore, it is possible that the same person might have buried my daughter. For this reason, at least my daughter's skeleton might be found in the areas surrounding Dharmasthala. We belong to the Sanatana Hindu Brahmin community, and performing the traditional final rites for deceased bodies is a very important duty in life. If I fail to do so, as a mother, I will not be able to find atonement. Veerendra Heggade is a very influential and cruel person. I am immediately ready to undergo a polygraph examination. Please arrest Veerendra Heggade and Harshendra Kumar, administer

polygraph tests to them, and please make them reveal what happened to my daughter. They are aware of my daughter's disappearance. I am waiting to inform the judge about other points that I have not mentioned here.

Therefore, I humbly request you to find my daughter's skeleton, enable me to perform the respectful final rites, bring peace to Ananya's soul, and allow me to live the rest of my life in peace.

Yours faithfully,

(Smt. Sujatha)

42. A careful perusal of the conduct of the Defendant Nos.1 to 44 would depict that they are in the habit of approaching social media and making reckless, baseless and vexatious allegations so as to malign the reputation of persons who are in public life. The publication of news items is nothing but motivated and violative of the press, media and T.V. Channel norms and regulations.

Veerendra Heggade and his family members. It is submitted that the video contents/posts made/uploaded by the defendant Nos.1 to 332 are false, misleading, defamatory, and highly sensational in nature. The defendant Nos.1 to 332 without any basis and evidence named and referred to the plaintiff, Shri Kshetra Dharmasthala, its religious head Dr. D. Veerendra Heggade, and the associated institution in connection with alleged events

which are still under investigation and have not been verified or confirmed by any competent authority/investigating agency. It is submitted that the mentioning of the name of plaintiff, Dr. D. Veerendra Heggade and Temple has not only caused serious mental distress to the plaintiff but has also disturbed the religious sentiments of lakhs of devotees across India and beyond.

53. It is submitted that the conduct on part of the defendant Nos.45 to 332 amount to trial by media, which is a grave violation of journalistic responsibility and integrity. The statements, visuals, headlines, and narration used by the defendant Nos.45 to 332 are speculative, defamatory, and motivated by the intent to sensationalize and draw public attention at the cost of reputation, religious faith, and institutional dignity of plaintiff, his brother Dr. D. Veerendra Heggade and the temple.

54. It is further submitted that the said videos along with related broadcasts and digital posts, have defamed the plaintiff and the sacred Dharmasthala institution, causing immense damage to its legacy built over decades of service, spirituality, and social work. By irresponsibly linking the plaintiff, Dr. D. Veerendra Heggade and his family members to unverified and unproven allegations, the defendant Nos.1 to 332 have committed acts punishable under the provisions of Bharatiya Nyaya Sanhita, 2023, including defamation, public mischief, and outraging religious feelings, as well as under the provisions of Information Technology Act, 2000 for which different proceedings will be initiated on future dates.

55. It is submitted that though the pendency of the aforesaid suits and also the injunction orders passed by various Courts of law and more particularly the specific order passed by this Hon'ble Court in O.S. No.2145/2025 wherein John Doe/Ashok Kumar order are within the knowledge of the defendant Nos.1 to 332 they have telecasted/uploaded/published the news items/videos/posts contrary to the directions of the Court. It is submitted that the defendant No.254 to 332 being TV Channels, are expected to verify and ascertain the factual aspects involved in the matter before telecasting any videos or bringing in the name of third parties. The attempt made by the vested interested persons

including the defendant Nos.1 to 332 to drag plaintiff is deprecated and since the defendant Nos.253 to 332 have telecasted the said video, the same has caused lot of distress to the plaintiff and his family members.

56. It is to be noted that the crores of people throughout the globe are using social media. Because of the malevolent conduct on the part of Defendant Nos.1 to 329 crores of viewers are watching the said contents causing humiliation and harassment and the same is maligning the reputation of to the plaintiff, his elder brother and his family members. The said acts are causing irreparable injury to the plaintiff, his elder brother and his family members. It is submitted that telecasting, uploading, forwarding the video contents by Defendants in the social media platforms is only to generate more revenue and out of vengeance and vendetta to tarnish the image of the plaintiff, his elder brother and his family members. Thus the plaintiff is at the verge of being unwarrantedly and ill-intendedly dragged into false controversies. They are equipped with the general modus operandi of including the name of dignified person like the plaintiff, his brother and his family members in the issues and news with an intention to bring pressure over and thereby lead them to budge for their extraneous demands. The precedented bad belief of defendant Nos.1 to 329 that associating the persons and names of well known persons and entities in any news material would give it hype and invite special attention of the readers/viewers has been center bone reason for attempting to attach the names of the plaintiff, his elder brother and his family members.

57. The contents of the video are made deliberately to defame, tarnish, and denigrate the plaintiff, his elder brother and his family members, who have nothing to do with the said criminal case and the contents uploaded by defendant Nos.1 to 329 are without any basis and contrary to the factual matrix involved in the case. The allegations are false and frivolous and same are made only with an intention to damage the good will of the plaintiff, his brother and his family members. The said conduct on the part of defendant Nos.1 to 329 is deprecated and the same is nothing but showing disrespect to the orders passed by this Hon'ble Court.

58. It is submitted that except the said person giving statement before the Magistrate, the jurisdictional police are yet to conduct investigation in respect of abovesaid Crime No.39/2025. However, the vested interested persons including the defendant No.1 are making allegations against the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc without any basis. It is pertinent to note that there is no mentioning of the plaintiff or the head of the institution or his family members in the said complaint. It is well settled principles of law that in the absence of any of the complaint or allegations against an individual, the media trial should not be conducted. The defendant Nos.1 to 329 have ventured to make allegations against the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. The careful perusal of the videos/posts/news items would indicate that they have no respect to the laws and making allegations against the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc.

59. It is further submitted that Defendant Nos.45 to 329 have discussed unrelated issues in their Channel against the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. The defendant Nos.1 to 329 have uploaded frivolous, vexatious and reckless video contents in You Tube, and TV News Channels as could be seen from the documents produced by the plaintiff. The pen drive produced by the plaintiff clearly demonstrate the manner in which the defendant Nos.1 to 329 are trying to malign the reputation of the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. The entire act on the part of defendant Nos.1 to 329 gives an impression that they are trying to misguide the general public at large. The careful perusal of the videos produced by the plaintiff in the form of pen drive would clearly show that the statements made by them are akin to the statements made by the abovenamed Mahesh Shetty Thimmarody, Girish Mattannavar and Sameer MD. Without there being any substance and basis, proof, the defendant Nos.1 to 329 are making an attempt to withhold/keep the the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. back from their routine works. In the process, they are behaving in inquisitorial manner. In spite of the same, the defendant Nos.1 to 329 are trying to harm the reputation of the Padma Vibhushana

Awardee and Honorary Doctorate Awardee from various Universities. The defendant Nos.1 to 329 are trying to venerate the situation with the alleged crimes only to make unjust enrichment out of such misfortunate. The defendant Nos.1 to 329 are trying to project the death of Kumari Sowjanya and the abovesaid allegations in Crime No.39/2025 as orenda and trying to eke benefit out of it. Such conduct on the part of defendant Nos.1 to 329 is incongruity and not expected of a common human behavior. Because of the conduct on the part of the defendant Nos.1 to 329, the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. are facing furore. Such conduct needs to be curtailed by this Hon'ble Court. The defendant Nos.1 to 329 are in the habit of making false accusations without there being any material much less documents. The careful perusal of the videos/posts/news items uploaded, published, telecasted, forwarded, shared and transmitted by various You Tube Channels and others clearly depicts that they are making allegations against the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. with an intention to tarnish the image and with ill motive.

60. Unfortunately, only with an intention to increase their viewership, for the purpose of increasing their TRP and in order to generate more revenue out of the fiasco, the defendant Nos.1 to 329 uploaded, telecasted the video contents/news items which do not have any basis. It is submitted that telecasting, uploading, forwarding and publishing video contents, posts, news items by Defendant Nos.1 to 329 in You Tube, TV Channels is only to generate more revenue and out of vengeance and vendetta to tarnish the image of the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. It is submitted that the plaintiff has filed the present suit to protect their fundamental right to have reputation. It is further submitted that the persons who are jealous and inimical disposed towards the growth of the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. have started to create these false, frivolous and vexatious stories and they have even went to the extent of concocting, fabricating, faking and morphing the video clippings with ulterior motive to tarnish the image and reputation of

the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc.

61. It is respectfully submitted that the right of reputation of an individual and the institution is a constitutional right guaranteed under the Constitution of India. The defendant Nos.1 to 329 are making allegations in collusion with one another backed by rivalry to tarnish the image and reputation, goodwill and prominence. It is well settled principles of law that good reputation is an element of personal security and is protected by the Constitution equally with the right to enjoyment of life, liberty and property. It is further submitted that reputation is part of fundamental right and personal liberty as guaranteed under Article 21 of the Constitution of India. Every person has got right to defend his reputation from being tarnished. The plaintiff and his family members have suffered mental shock due to the conduct of the defendant Nos.1 to 329 who have shown scant respect to the valuable rights of the citizens of this country. The defendant Nos.1 to 329 are publishing, uploading or circulating concocted stories and if such created stories are published, uploaded, forwarded or shared or aired in the social media, the same would result in general public losing any respect towards the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc.

62. It is further submitted that if the defendant Nos.1 to 329 continue to publish, telecast and if they are allowed to carry on with their ill motive, vengeance and vendetta attitude against the plaintiff, elder brother of the plaintiff, institutions run by the family of the plaintiff etc. the same will affect their reputation. It is further submitted that You Tube, TV channels including the defendant Nos.1 to 329 do not have any special privilege and have no greater freedom than others to make any mischievous allegations sufficient to ruin the reputation of the citizen of India. The defendant Nos.1 to 329 are giving false and fabricated stories only to get highest TRPs or viewers for their channels. The excessive publicity or misinformation leading to usurpation of functions of the Courts amounts to interfering with administration of justice which is sought to be protected under Article 19 (2) of the Constitution of India. It is further submitted that if any person genuinely apprehends infringement of his reputation by

publication of false, frivolous and vexatious news and the same is causing infringement of his fundamental right under Article 21 of the Constitution, he is entitled to approach the Court of law to seek an order for restraint of publication, broadcast or telecast which affects his reputation, the Courts may grant such preventive relief on the principle of balancing of right under Article 19 (1) (a) of the Constitution of India. It is further submitted that the videos/posts/news items containing defamatory contents, baseless, frivolous, vexatious, concocted and fabricated stories are provided in a pen drive to this Hon'ble Court and the URLs of the same are provided in the schedule to the Plaint.

63. The defendant Nos.1 to 329 are uploading/publishing the video contents mentioned herein above without any basis or credibility and may further circulate the same unverified & unsubstantiated video contents and there is a need for interference by this Hon'ble Court to prevent the miscarriage of justice and to protect fundamental right. It is submitted that with the help of vested interested persons the defendant Nos.1 to 329 are interfering with the reputation of the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. and trying to tarnish their image and reputation. Unfortunately there is no yardstick and effective controlling authority in this regard. The said right essentially needs to be protected and the fundamental right guaranteed by the constitution needs to be extended by this Hon'ble Court.

64. It is further submitted that the defendant Nos.1 to 329 and other vested interested persons are trying to tarnish the image and reputation of the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. The sole object is to harass and humiliate the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. with an object to defame them in the eyes of public. There is a need for direction of this Hon'ble Court to prevent abuse of freedom of speech and control the defendant Nos.1 to 329 from uploading false, frivolous, baseless and defamatory videos, news etc. That the defendant Nos.1 to 329 without verifying the factual aspects involved in the matter are proceeding to upload/circulate the video contents and make allegations against the plaintiff, elder brother of the plaintiff, Institutions run by the

family of the plaintiff etc by showing utter disregard to the order passed by this Hon'ble Court. The plaintiff have approached this Hon'ble Court seeking preventive relief on availability of balance of convenience and prima facie case in their favour as well apart from claiming damages against defendant Nos.1 to 329.

65. It is submitted that this suit is for injunction and consequential reliefs against the Defendant Nos.45 to 329 for their attempted acts of carrying malevolent and ill intended reports and unwarranted news against the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. in order to defame them in public for the purpose of achieving TRPs or to have more viewers, prominence and for wrongful gains. Malevolent acts are perhaps done also at the instance of rival elements who are watering the Defendant Nos.45 to 329. The brother of the plaintiff being person of huge popularity and a leader of masses, has naturally become the subject of malice for many due to his upright conduct and straight forwardness along with plaintiff. It is further submitted that despite the limitations on the media and the governing laws and guidelines clearly prohibiting the media entities from publishing or broadcasting anything depraving, objectionable, unverified, and sarcastic, opinion oriented, defamatory and demeaning, there is a spree of derogatory stories and materials that are being generated for broadcasting, publication and circulation against the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. With the cunning capability and unscrupulous acts of defendant No.1, by now almost all media houses have picked and designed the false news and have geared up to broadcast and publish the same since it is a TRP material for them and it will serve the interests of persons behind the magnification of the news.

66. It is submitted that the intention of the defendant Nos.1 to 329 is to falsely taint the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. through fickle methods and conduct, which they obviously are doing at the instance, incitement and compensations of the persons/entities who are inimically towards them. It is submitted that the videos uploaded by the Defendant Nos.45 to 329 is a proof of the fact that the Defendant Nos.1 to 329 are certainly going to upload wicked and

tailor-made material against the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. and there by caused severe embarrassment to them. The Defendant Nos.1 to 329 while doing so, are throwing up all the media standards, morals, laws and limitations applicable against them and the intention behind the same would be purely defaming, damaging and foxy. The laws settled by the Hon'ble Supreme Court and our High Court repeatedly prohibits such an anti canvassing, derogation, character assassination and unverified matters. The acts of the Defendant Nos.1 to 329 would tarnish the image of the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. in public. Therefore, it is necessary that the defendant Nos.1 to 329 be restrained by way of appropriate injunctive orders from this Hon'ble Court.

67. It is further respectfully submitted that the despicable and illegal efforts of the Media by involving the names of the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. in order to sensationalize the issue and invite viewer attentions have bothered the plaintiff. Thus the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. are at the verge of being unwarrantedly and ill-intendedly dragged into false controversies. They are equipped with the general modus operandi of including the name of dignified persons like the plaintiff in the issues and news with an intention to bring pressure over and thereby lead them to budge for their extraneous demands. The precedented bad belief of the Media that associating the persons and names of well known persons and entities in any news material would give it hype and invite special attention of the readers/viewers has been center bone reason for attempting to attach the names of the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc by defendant Nos.1 to 329. This kind of attitude is implicit of a fact that the media entitles who were first carrying on good representations and editions about some entities, persons and clients have later turned hostile and have gone a spree of character assassination with their dual and biased standards.

68. In their merciless and ill intended pursuit to prevail upon the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. like dignified persons/entities of the main stream and thereby earn speed in their media race, the defendant Nos.1 to 329 are always in the habit of joining hands with inimically intended elements and publishing malicious reports and news in a sequential manner by picking on trifle (rather concocted) issues, spreading malicious rumors through their newspapers or channels. The said Defendant Nos.1 to 329 have taken off viciously over the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. In view of the attempts made by defendant No.1 and persons inimically deposed have begun unwarrantedly harping upon by enviously projecting the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. under spotlight and are constantly attempting to put the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. to defame, disgrace and deprivation. The sole intention seems to malign the reputation of the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. The plaintiff has reliable information that the fabricated news and programs attaching the names of the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. are being generated by planting false stories and material.

69. It is submitted that the way in which the false and unconcerned matters affecting the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. narrated and projected would suggest that the defendant Nos.45 to 329 would not be simply doing the job of noble media and journalism, but their intention is to cause severe character assassination and deprivation to the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. in order to render favors to others through their fickle methods and conduct, which they obviously would be doing at the instance, incitement and compensations of the persons who are inimical to the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc.

70. It is submitted that followed with severe preparations and concoction for publishing insulting articles, writings and material, the

defendant Nos.1 to 329 are on the plans of going on broader spree of You Tube and publications in order to denigrate the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. as it would render favors to others. The videos/episodes uploaded/aired by the defendant Nos.1 to 329 that are produced before this Hon'ble Court are the proof that the defendant Nos.1 to 329 are certainly going to upload wicked and tailor-made material against the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. and indulge in high degree defamation and baseless character assassination. The defendant Nos.1 to 329 while doing so are throwing away all the media standards, morals, laws and limitations applicable to them and they are rather proving to be unfaithful. Though the Hon'ble Courts have repeatedly marked limitations against the Media, never have they bothered to follow the same and on the other hand they impose their opinions on the masses by projecting even information in a colored manner for their enrichment. The injunction order passed against the whole world has been given a go by them.

71. It is submitted that the entire video contents telecasted/carried out and proposed against the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. would be wholly bundles of fallacies and insulting material with not even a single word worth admittance as truth and the intention behind the same are purely defaming, consequently damaging and foxy.

72. It is further respectfully submitted that the gravity of the illegal acts committed by the defendant Nos.1 to 329 would deeply bother the sentiments and emotions of public at large who carry immense respect and good conscience. The widely viewed videos of the defendant Nos.1 to 329 has irretrievably damage the reputation of the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. and the same would continue to damage their reputation. The whole intention behind the anticipated media works being criminal and illegal, the defendant Nos.1 to 329 are to be dealt under the law for their acts, as they are using the valued devise of journalism and media for such ill intended forbidden acts and for negatively influencing the society without any basis or truth.

73. The defendant Nos.1 to 329 may promote and circulate the video contents mentioned herein above without any basis or credibility. Absolutely there is no trial or orders from court of law in the matter. The action of the defendant Nos.1 to 329 is politically motivated and there is a need for interference by this Hon'ble Court to prevent the miscarriage of justice and protect the fundamental rights. The defendant Nos.1 to 329 are taking law into their hands and also violating the law. They are trying to interfere with the reputation of the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. and trying to tarnish their image and reputation. There is a need for direction of this Hon'ble Court to the direct defendant Nos.1 to 329 to prevent abuse of freedom of speech and control them from publishing false, frivolous, baseless and defamatory contents even before conducting of the proceedings by the competent court of law.

74. It is submitted that if defendant Nos.1 to 329 upload video contents, telecast the news items, the same will be nothing but holding a mini trial. Such attitude and conduct needs to be viewed seriously by this Hon'ble Court and stringent actions are required. The persons who are behind this defaming onslaught through the defendant Nos.1 to 329 with an intention to defame the the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. have started to create nuisance, since they could not achieve their motives and they being jealous about the popularity, prominence and good reputation. Hence, the defendant Nos.1 to 329 may become handy tool for these unscrupulous entities and thereby act in furtherance of their hidden motives.

75. It is submitted that if the defendant Nos.1 to 329 publish, telecast and circulate fake news against the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc the same will affect their reputation and in turn the Plaintiff would also face ignominy. Good reputation is an element of personal security and as such same is protected by Constitutional guarantee. Till now there have been several unsuccessful attempts made against the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. with a vile motto to push them into a controversial and scandalous situation, demoralize them and

then take advantage of the vulnerable situation. It is submitted that the damages that would be occurred due to the maligning acts of the Defendant Nos.1 to 329 would be grave. Therefore, it is necessary that the defendant No.1 be restrained by way of appropriate injunctive orders from this Hon'ble court.

76. Right to reputation is a fundamental right and the same needs to be protected by the defendant Nos.1 to 329, authorities and also by the courts of law. The defendant Nos.1 to 329 are taking law into their hands and also violating the law and also the orders passed by this Hon'ble Court and also the Hon'ble High Court of Karnataka. They are trying to interfere with the reputation of the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. by trying to tarnish their image and reputation. Further, trying to influence the general public by telecasting false and frivolous information without there being any materials to substantiate the said news.

77. The Defendant Nos.45 to 329 are known entities in the field of media houses and social platforms. The Defendant Nos.1 to 329 are indulging into uploading sarcastic and false stories subjecting the plaintiff, head of the institution and his family members and staff of various institutions to severe insult and embarrassment through their malevolently intended issues by placing uncalled and unconnected reliance. There are lakhs and lakhs of devotees who are following the temple and they visit the temple to offer their prayers. In spite of the same, the defendant Nos.1 to 329 have started to telecast, upload, transmit, forward, share and air the video contents against plaintiff, the head of the institution and his family members. The said allegations are made so as to tarnish the reputation.

78. The plaintiff and his family members have suffered mental shock due to the conduct of the defendant Nos.1 to 329 who have shown scant respect to the valuable rights of the citizens of this country. The defendant Nos.1 to 329 and other media houses are publishing, telecasting or circulating concocted stories pursuant to the sponsored news created by defendant Nos.1 to 329 and if such created news are published, telecasted, uploaded, forwarded or shares or aired in the news Channels, media,

YouTube Channels and social media the same would result in general public losing respect towards the plaintiff, institution, head of the institution and his family members for no fault of theirs.

79. It is further submitted that if the defendant Nos.1 to 329 continue to upload, telecast and if they are allowed to carry on with their ill motive, vengeance and vendetta attitude against the plaintiff, elder brother of the plaintiff and his family members the same will affect their reputation. It is further submitted that press media or journalists or social media or YouTube channels do not have any special privilege and have no greater freedom than others to make any mischievous allegations sufficient to ruin the reputation of the citizen of India. The excessive publicity or misinformation leading to usurpation of functions of the Courts amounts to interfering with administration of justice which is sought to be protected under Article 19 (2) of the Constitution of India. It is further submitted that if any person genuinely apprehends infringement of his reputation by publication of false, frivolous and vexatious news and the same is causing infringement of his fundamental right under Article 21 of the Constitution, he is entitled to approach the Court of law to seek an order for restraintment of circulation which affects his reputation, the Courts may grant such preventive relief on the principle of balancing of right under Article 19 (1) (a) of the Constitution of India. It is further submitted that the videos containing defamatory contents, baseless, frivolous, vexatious, concocted and fabricated stories are provided in pen drive to this Hon'ble Court and the URLs of the videos are provided in the schedule to the Plaint.

80. It is submitted that the damages occurred to the plaintiff, his brother Dr. D. Verrendra Heggade out of anxiety and mental agony so far due to the said unlawful and despicable acts of the defendant Nos.1 to 329 is prima-facie and undoubtedly of a severe level and irreparable extent. The acts of the defendant Nos.1 to 329 would certainly tarnish, irreparably damage the image of plaintiff, elder brother of the plaintiff and his family members in public and there are all the possibilities of same kind continuing in future in view of the basic fact that the defendant Nos.45 to 329 are doing so for benefits to generate more revenue in terms of TRPs.

Therefore, it is necessary that the defendant Nos.1 to 329 be restrained by way of appropriate injunctive orders from this Hon'ble Court before further more irreparable is caused. Hence, this suit for the relief's hereafter prayed for.

81. The plaintiff have approached this Hon'ble Court seeking preventive relief on availability of balance of convenience and prima facie case in their favour. The persons who are behind this defaming onslaught through the defendant Nos.1 to 329 with an intention to defame the plaintiff, elder brother of the plaintiff and his family members have started to create nuisance, since they could not achieve their motives and they being jealous about the popularity, prominence and good reputation of the elder brother of the plaintiff in particular. Hence, the defendant Nos.1 to 329 may become handy tool for these unscrupulous entities and thereby act in furtherance of their hidden motives.

82. It is submitted that Defendant No.338 has permitted its users to make all sorts of defamatory and derogatory posts agaibst the plaintiff, his elder brother and his family members, URLs of the same are produced in the schedule herein below. It is further submitted that though the plaintiffs, the institution, head of the institution and his family members are no way connected to the aovesaid crime, the defendants are making allegations against them and publishing the same in news.

83. It is further submitted that the plaintiff have suffered mental shock and are agonized due to the content aired/telecasted by defendant Nos.1 to 329 who have shown scant respect to this valuable right of a citizen of the country. If the defendant Nos.1 to 329 are allowed to further publish or telecast or circulate or upload or forward and forward any concocted stories, the plaintiff and his family members will be put to untold misery and hardship which cannot be compensated in any manner.

84. It is further submitted that because of the conduct on the part of defendant Nos.1 to 329 and since they uploaded the video contents with an object of tarnishing and maligning the hard earned reputation of the plaintiff, institution, temple and Dr. D. Veerendra Heggade and his family members, the same is impinging on the daily life of the plaintiff who is

meeting many persons in a day, and the same is causing great loss and hardship effecting their reputation, status and image in the society. The interest of plaintiff, the institution, temple and the family of head of the institution cannot be jeopardized by telecasting defamatory articles highlighting them in the media houses. In that view of the matter, it is just and necessary to issue mandatory injunction in favour of the plaintiff against defendant Nos.1 to 329 by directing them to delete or block or restrict access to the defamatory and demeaning posts, video links, news items which are uploaded and posted as described in the schedule. In view of the aforesaid facts and circumstances, it is just and necessary to restrain the defendant Nos.1 to 329 from making false, baseless, reckless allegations against the plaintiff, elder brother of the plaintiff and his family members and also to direct them to delete the video contents specified in the Schedule. The Plaintiff has no other alternative efficacious remedy except to approach this Hon'ble Court by way of filing this suit. Hence this suit.

85. It is further submitted that though specific orders are passed by this Hon'ble Court and by the Hon'ble High Court of Karnataka, in order to overreach the orders passed by this Hon'ble Court as well as the Hon'ble High Court of Karnataka, some of the unknown persons or parties are cropping up and started to make allegations against the plaintiff, the elder brother of the plaintiff and his family members. The orders passed by this Hon'ble Court are not being adhered to by the vested interested persons by continuously violating the Court orders. The plaintiff have no other option but to seek for John Doe/Ashok Kumar order so as to protect the rights of the plaintiff or the orders passed by this Hon'ble Court. The plaintiff respectfully pray that they believe that their rights are being infringed by unknown persons solely with an intention to defeat the orders passed by the Hon'ble Courts. It is to be noted that once if the reputation is lost, everything is lost. In spite of passing of the injunction orders, the defendant Nos.1 to 329 are trying to infringe the rights of the plaintiff and cause irreparable harm and injury as stated supra. The defendant Nos.1 to 329 and other unknown entities and persons have been continuously making an attempt to cause dent to the reputation of plaintiff, elder brother of the plaintiff and his family members and the defendant Nos.332 to 338, the platforms allowing such unknown persons

to upload, post the abovesaid derogatory content on their platforms. The documents produced would clearly show that all the subsequent videos and comments and contents are made pursuant to the orders passed by this Hon'ble Court in order to overreach the orders solely with an intention to overreach the orders of the Courts of Law. Such conduct on the part of the defendant Nos.1 to 329 and the unknown persons is contrary to the orders passed by this Hon'ble Court. In that view of the matter, it is just and necessary to pass a John Doe order so as to protect and adhere to the orders passed by this Hon'ble Court. It is further submitted that a John Doe order is an order passed by a Court against the world at large. A John Doe order is a type of legal order that allows a person or entity to take legal action against an unknown party or parties. This type of order is often used when the identity of the person or entity being sued is not known at the time when the legal action is being taken. John Doe orders are commonly used in cases involving anonymous internet users, or when a person is seeking to identify individuals who have engaged in illegal activity using its services. The need for a John Doe order, also known as an Ashok Kumar or an Anton Pillar order, arises when there is rampant infringement or unlawful exploitation such that it is practically impossible for a rights owner to identify all infringing parties.

86. It is further submitted that if the unidentified persons are unaware of the orders or unwilling to abide by the Court order and continue with the said violation, no remedy is left with the plaintiff and the entire process of obtaining such orders goes waste leaving the plaintiff without any benefit and losing its entire impact. Granting of John Doe order would avoid multiplicity of proceedings. In the present conditions where going to courts again and again is not the most feasible option, the John Doe/Ashok Kumar order with its prospective application helps individuals enforce their rights more conveniently and efficiently.

87. It is submitted that in the instant case, vested interested persons are continuing to make false, frivolous, baseless and vexatious video contents against plaintiff, elder brother of the plaintiff and his family members, Sri Kshetra Dharmasthala, the institutions run by the Kshetra, the organizations established by Dharmasthala Temple resulting in causing loss

to their reputation and integrity. It is further submitted that due to advancement of technology and its easy accessibility, everyday a new YouTube channel or a TV Channel or a Facebook page or an Instagram account is being created by vested interested persons and are making derogatory remarks against the plaintiff, elder brother of the plaintiff and his family members resulting in plaintiff knocking the doors of this Hon'ble Court every now and then. In view of the facts and circumstances, it is just and necessary to grant Jon Doe/Ashok Kumar order in favor of the plaintiff against the unknown entities and therefore, the unknown persons or entities have been arrayed as Defendant No.339 as John Doe/Ashok Kumar in the instant suit.

88. It is further submitted that under the peculiar facts and circumstances of the case, this Hon'ble Court may kindly be pleased to invoke the inherent powers under Section 151 of CPC to evolve a fair and reasonable procedure to meet the exigencies of the present situation. The conduct of the defendant Nos.1 to 329 and other unscrupulous YouTube channels in illegally making the videos uploading the contents and other news items as stated supra requires this Hon'ble Court to pass John Doe/Ashok Kumar orders. As stated supra, the identity of some of the persons is unknown to the plaintiff and since the Court possesses inherent powers to formulate the orders which are necessary to meet the peculiar facts and peculiar situation. It is further submitted that a Court of Equity is free to fashion whatever remedies will adequately protect the rights of the parties before it. In the light of above narrated facts and circumstances, it is just and necessary to protect the interest of the plaintiff and so as to meet the ends of justice to pass John Doe/Ashok Kumar order.

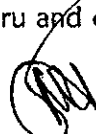

89. It is further submitted that in spite of specific orders passed by the Courts, there are several other persons who are continuously violating the Court orders and plaintiffs are not able to establish the full particulars of these persons who have been consequently violating the Court orders. It is further submitted that these defendant No.339 are unknown identities who are continuously and unauthorizedly and illegally making videos and uploading the same in the social media platforms. In that view of the matter, it is just and necessary to pass John Doe/Ashok Kumar orders. It is

further submitted that the plaintiff have approached this Hon'ble Court seeking protection of valuable rights against unwarranted unauthorized and illegal actions of the defendant Nos.1 to 329 as well as John Doe/Ashok Kumar arrayed as defendant No.339. In that view of the matter, it is just and necessary to pass an injunction order against unnamed and undisclosed persons who may be likewise committing breach of the rights of the plaintiff in the similar manner. Further the plaintiff may be permitted to publish the John Doe/Ashok Kumar order in the local newspapers of all the Districts where the plaintiff have apprehension of violation of their rights.

90. The cause of action for this suit arose on 04.07.2025 the date on which a complaint came to be filed before the Dharmasthala Police Station and FIR in Crime No.39/2025 came to be registered; on 07.07.2025, the date on which the defendant No.3 released a promo on his Instagram Channel; on 11.07.2025 & further dates till date, the dates on which the defendant Nos.1, 2 & 4 appeared in a live video on social media making allegations in respect of said crime, on 12.07.2025 the date on which the defendant No.3 uploaded video on his YouTube channel, on 12.07.2025, the date on which the plaintiff caused a legal notice dated to the defendant No.3, during the month of July when almost all the defendant Nos.1 to 329 made allegations against the plaintiff, his elder brother and his family members and the defendant Nos.332 to 338 allowed the defendant Nos.1 to 329 to upload the same. The Defendant Nos.1 to 329 have uploaded and promoted the video/ telecasted the news in episodes manner in the platforms of defendant Nos.332 to 338 within the territorial jurisdiction of this Hon'ble Court. Further the said content or any other content that may be published, telecasted, uploaded or circulated in their YouTube Channel, TV Channel which are aimed at tarnishing the image and reputation of the plaintiff, elder brother of the plaintiff, Institutions run by the family of the plaintiff etc. having viewers & subscribers who are also within the jurisdiction of this Hon'ble Court. The video contents/posts/news articles uploaded by defendant Nos.1 to 329 are available in the YouTube platform, TV Channel and social media platforms of defendants Nos. 332 to 338 and can be viewed at any place and the same are being viewed in Bengaluru and other parts of the world

by most of the devotees of the temple, students of the Institutions, teaching and non-teaching staff of the Institutions established by the plaintiff & his family members. Hence this Hon'ble Court has got territorial as well as pecuniary jurisdiction to try the instant suit.

91. There is no pendency of the legal proceedings or litigations either past or present concerning any other part of the subject matter of the dispute before this Hon'ble Court or before any Court in respect of the relief's claimed in this suit.

92. The Plaintiff has no other alternative efficacious remedy except to approach this Hon'ble Court by way of filing this suit.

93. The Plaintiff has valued the relief's claimed in this suit under Section 26 (c) of Karnataka Court Fees and Suits Valuation Act, 1958 and paid Court Fee of Rs.100/- on this plaint and a separate valuation slip is annexed to this plaint.

94. WHEREFORE, the plaintiff pray that this Hon'ble Court may kindly be pleased to:

(a) Pass a decree of mandatory injunction directing defendant Nos.1 to 338 to remove/delete/deindex unverified, false, frivolous, baseless and vexatious video contents made, aired, shared, uploaded, transmitted, forwarded detailed in Schedule hereinbelow and the identified URLs/Weblinks which contain or purport to contain the At issue content and not to upload any at issue contents in future as stated above in respect of Crime No.39/2025 or any other similar issues.
